Simple and clean operative office line with metal/wood structure

New office line with **22 mm thick desk tops**. Line characterized by metal/wood desk legs, part in steel with 20x20 mm section profile. Table tops with abs edges 2 mm thick rounded, with no sharp edges. The modesty panel of the desk is connected to the wooden part of the legs and is in 18 mm thick melamine. **Desks** in two depths 80 and 60 cm. The classic depth of 80 is available in four lengths: 120, 140, 160, 180 cm.

The 60 depth desks are available in lengths 120 and 140.

Total desk height 74.4 cm. With height adjustable feet. The desk tops have a predisposition underneath for the cable rings.

Three panel finishes: white, light oak and anthracite gray.

The 80x50 complanar **return** with the side panel or the **chest of drawers** with the 80x50 top and metal leg can go together with the desk, to form a service unit. The chest of drawers can be positioned on the long side, to the right or left, or adjacent to the 80 side of the table always on the right or left. Chest of 3 drawers, supplied assembled, also with wheels.

The series comes with two **meeting tables** always with the same type of leg. The 180x110 cm table, modular to make longer tables, is supplied with a top-access cable holder.

The other table is 120x110 cm, without cable passage ring, suitable for executive offices or small rooms.

The **cabinets are 90 cm wide** and 200 or 85 cm high. With lockable

doors and solid shelves 25 mm thick. Possibility of glass doors in the tall cabinets and to put a top unit.

The low cabinet can also be superimposed with the new bookcases, made of a **metal structure** with 20x20 section and 18 mm melamine tops. These bookcases can also go on the floor, independent, resting on adjustable feet. Measurements of the bookcases in anthracite or matt white painted steel: L.90 x D.44 x H.80 or H.119 cm

The series can also be combined with the sliding doors **bookcases Tetris**.

As always, Artexport internal production of the wooden part, ISO 9001 certified. Packaging entirely in cardboard for easy recycling, with low environmental impact.

Finish wood parts

White orange peel finish (not all items)
